WAFF 5th Annual Golf Tournament Rules and Specialty Holes

2 person scramble format

Each player must contribute a minimum of 6 drives each. Place an (x) under the player's name on the hole it is used to keep track.

After both players tee off, team members decide which tee shot they will play. The ball shall be marked with a tee and must play their ball within 6" of the tee marker. If the selected ball is in the rough, bunker, or off the green, the player must play in the rough, bunker, or off the green. Continue like this until hole is completed.

Putting – 2 putt max per hole. Players have the option of placing their ball within 2" of the marked ball, not closer to the hole.

Mulligans – players with mulligans can use it anywhere **except** on specialty holes in attempt to win a prize (closest to pin, longest drive, 2nd shot closest to pin, etc) If used, the player must give ticket to opponent to verify he or she has a mulligan to use.

Except for the above rules, USGA and local rules (drop areas, sensitive areas) are in effect. Any questions or ruling will be decided by the local pro.

Turn in your scorecard immediately after your round and be sure it is signed by the other team's player.

In case of a tie, the committee will compare score cards starting with the number 1 hole going forward (1, 2, 3, etc.) to decide the tie breaker.
